The Most Important Part

Working in an ice cream shop might look like fun from the outside (and it IS!) but it's also LOTS of hard work and can be stressful. Customers are demanding. You WILL go home tired. You'll be working when friends are out having fun. You need to be willing to pick up trash, clean utensils, bathrooms, floors, etc., and do it with a smile.

Tell us why you think you'll like working here. Not looking for an essay, just a few sentences in your own words. We base a lot of our decisions on how you answer this, so **don't skip this part!**

The Fine Print

All employees are required to work at least 2 shifts per week (Mon-Fri) and 1 shift per weekend (Sat or Sunday) from mid-June through Labor Day Weekend. We will work with you to create a schedule that works with other commitments you may have and can accommodate those who wish to work more than 3 shifts. In addition, we are open for the following holidays: Memorial Day weekend, 4th of July weekend, Labor Day weekend as well as some major events held in Spring Lake. We expect all employees to potentially work these dates if asked, even if your shift day is normally different. You will need to plan out your academic and social calendars so you can show up on time for the shifts you choose without conflicting with other areas of your life.

If you're still with us, then sign the application and bring it to us at 300 Morris Avenue, Spring Lake, NJ 07762. Ask for Michael or Tracy. We'll do our best to interview you on the spot. You can also [email it to us here](#).
